

Famous Olympic Athlete Report Project

Due: Week 9, Friday 10th September 2021

Goal: Create a display about a Famous Olympic Athlete.

Learning Intention: To improve researching, summarising and presentation skills using a current worldwide event.

You must choose a current Olympic athlete that you would like to learn more about. You will do research on the athlete and respond to the questions below. You must then use this information to create a visual display to showcase the information you have learnt about your Olympic athlete. For example, you could choose to display your research as a diorama, triorama, poster, mobile or use another format (discuss your idea with your teacher). Your display must be colourful, creative, make sense, be well organised, easy to understand and contain both words and images to share your information about your athlete.

The following list outlines the questions that you must respond to when creating your display.

1. Athlete name, country and sport.
2. Birth place and date of birth.
3. Why did they select the sport?
4. What type of training activities do they do?
5. What difficulties have they faced on their journey to becoming a famous athlete?
6. What awards and accomplishments have they achieved at the Tokyo 2021 Olympics?
7. What will they most be remembered for?
8. Who was/were their role model/s?
9. Additional information about the athlete such as hobbies, interests, involvement in a charity, what they plan to do after their sport career ends.

Timeline of Tasks to be completed in order to achieve the goal.

What?	Why?	By When?
Choose your Athlete and inform your teacher who your athlete is. Decide on the type of display you will be creating.	So you can begin researching and have a plan of what your project will look like once completed.	End of Week 3 - 30/7/21
Begin researching your athlete and draft answers to the 9 questions.	So you are using good sources of information to answer your questions.	End of Week 5 - 13/8/21
Type or Write up your 'Good Copy' of the Questions and Answers to the 9 questions so they can be used in your display.	So your responses have correct grammar and punctuation and answer the questions accurately or in enough depth.	End of Week 7 - 27/8/21
Complete your display by incorporating your answers to the 9 questions onto your display format, ready for handing in.	So your display is accurate, attractive and completed on time.	End of Week 9 - 10/9/21
